Mini bio

Hello, I am Andriy, and I'm a 14-year-old Front-end React.js developer. I have been studying at Creator IT Academy for 3 years and have participated in a joint project. My skills include React.js, HTML, CSS, JS, Bootstrap, jQuery, node.js, canvas.js, tippy.js, typed.js, email.js, MUI, SCSS, Redux, and React Router. I also possess soft skills such as teamwork, goal-oriented task management (GTD), creativity, responsibility, leadership, motivation, and patience. I am actively seeking opportunities to collaborate with industry professionals and I'm ready to take on new challenges.
